THE CRIMES OF THE IRANIAN REGIME (PAPERBACK)

Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. This is an important topic which needs to be fully addressed and it will be made apparent to the reader that this Iranian Regime is dangerous to all of mankind, is the true "axis of evil" which is constantly plotting against both the enemies and so-called friends. This is because it is ruled by a group of hardcore hypocrites who are masters in deception, lying, betrayal and oppression. These are a people who have a very dark history and have no shame whatsoever in carrying out the most abominable crimes. We have made the discussion very light based on the actual unchallenged factual information. This treatise is a summary of the evil crimes of this regime. It is incumbent upon those who have engaged with this evil regime to be on alert and not be deluded and deceived by them lest they regret it later. This is a regime which needs to be immediately dismantled, defeated in totality both its ideological and military roots....
