The most popular elementary social studies methods text on the market, this comprehensive, stimulating introduction to social studies in elementary and middle schools presents the elements of a strong social studies curriculum, explains effective teaching methods, and presents a wealth of field-tested examples, exercises, activities, and lesson plans that bring the subject matter to life. It presents critically important ideas and sometimes-complex methods in a clear, straightforward, accessible manner, while focusing on teaching to help K-8 students develop social understanding and the ability to think and act as democratic citizens in a multicultural society. Beginning and new teachers get the understanding and tools they need to unleash their intelligence and creativity on the subject area, and see how they can make social studies a subject that students anticipate...

Reviews

Merely no words to explain. I really could comprehend everything out of this published e ebook. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
