Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Discover for yourself how much fun guitar can be! If you've ever raked a pick over guitar strings, you know how exciting that sound can be. Now imagine you can do much more than that: you can play countless numbers of beautiful-sounding chords. You are making the music happen! Guitar Chords Made Easy is the book that can take you from a beginner or average hobbyist to a rhythm guitar expert. Even if you've never touched a guitar before, this book will get you started and help you learn all the most important guitar chords and rhythm patterns! Each lesson is designed to help you master something every beginner player struggles with: how to move from chord to chord as easily as possible. On top of that, you'll be introduced to some of the most common strumming patterns used by professional guitarists. Get amazing results! Teach yourself with clear diagrams and explanations. Cement your skills with over 100 practice exercises. Master common strumming patterns. Practice the right way with technique tips and example songs. Learn basic chord theory. Explore barre chords and suspended chords. Find what you need with a quick-reference chord chart. Listen to audio files of each exercise and song so you can hear what they should sound like (stream or download). And more! One-of-a-kind. Most chord books are only reference guides, and others either teach too many chords at once or don't teach them systematically, making learning chords confusing or frustrating. Guitar Chords Made Easy offers a new method that keeps it simple so you'll never feel overwhelmed. It's for everyone. From new players to hobbyists wanting to take their knowledge of chords further, this is the book you've been looking for! Trusted Experience. With a Master's degree in Education, a B.A. in Music (Jazz Studies), over a dozen publications, and...
